

## **INFORMATION ABOUT THE DIAL-A-RIDE SYSTEM ELIGIBILITY**

The Dial-a-Ride System is a door-to-door service available to those who cannot use Public Transportation for one or more of the following reasons:

- a) Unable to perform daily tasks without a wheelchair or walker;
- b) Unable to get on or off a bus;
- c) Unable to walk from home/destination to the nearest bus stop;
- d) Unable to wait standing for more than 15 minutes;
- e) Unable to move in crowds (difficulty in keeping balance in a bus is not considered a transportation disadvantage since federal regulations require seats for the disabled near the entrance of all buses);
- f) Unable to read information signs or schedules (this does not include foreign language problems or illiteracy among otherwise able-bodied individuals);
- g) Unable to grasp coins, tickets or handles;
- h) Unable to use a bus in the performance of a life sustaining activity.

The words “unable” and “prevents” mean that performing the function is absolutely impossible or causes severe or continuing pain, not discomfort, occasional pain, difficulty, or inconvenience.

### **The following types of eligibility that may be granted are:**

**Conditional Eligibility** – you are able to use the fixed route buses for some of your trips, and qualify for dial-a-ride service for other trips;

**Unconditional Eligibility** – your health condition always prevents you from using the fixed route buses and you qualify for dial-a-ride for all your trips; or

**Temporary Eligibility** - you have a health condition or disability that temporarily prevents you from using the fixed route buses.

The Humboldt Transit Authority reserves the right to conduct a re-certification process as necessary to keep our records up-to-date. Service will be provided only to persons who have been certified. Qualified Medical Professionals will be asked to assist in making the determination of certification by completing a form describing the applicant=s disability. The final decision as to whether or not the applicant qualifies for Dial-a-Ride will be made by the Humboldt Transit Authority.

To help us accurately determine your eligibility for Dial-a-Ride, please fill out the application form as completely and thoroughly as possible. Once you have completed the form the Humboldt Transit Authority will determine if it will be necessary for an in-person interview.

## **INTERVIEW PROCESS**

If we determine that more information is needed to process your application, or that your application is incomplete we will schedule an in-person interview. At the time of your interview, we will ask you additional questions about your eligibility so we can further evaluate your travel abilities and limitations. If you know that you will need transportation to the interview, please let us know when we schedule your interview.

If you are determined eligible for dial-a-ride for some trips or for all trips, we will provide you with that information in your letter of eligibility. If it is determined that you are able to use fixed route buses for some or all of your trips, we will notify you in writing of the exact reasons for this decision and provide information about how to appeal our decision. This decision will be made within 21 days of the date you complete your in-person interview or assessment. If a decision is not made within 21 days, we will provide you with dial-a-ride until a final decision is made.

Complaints or comments about the system should be reported to Humboldt Transit Authority, Consuelo Espinosa, at 443-0826 for investigation and appropriate action. All information will be confidential. All passengers are expected to comply with vehicle rules.

## LETTER OF INTRODUCTION

Dear Dr. \_\_\_\_\_ Re: \_\_\_\_\_

This letter is to inform you that one of your patients is requesting certification for the ADA Complementary Paratransit/Dial-a-Ride/Dial-a-Lift Program.

The ADA Complementary Paratransit/Dial-a-Ride/Dial-a-Lift Program has been established to serve the needs of persons who are unable to use the existing public transportation services offered by Redwood Transit, Eureka Transit, Arcata & Mad River Transit, and Southern Humboldt Transit.

The agency certifying clients for the ADA Complementary Paratransit/Dial-a-Ride/Dial-a-Lift is the Humboldt Transit Authority.

ADA Complementary Paratransit/Dial-a-Ride/Dial-a-Lift eligibility criteria now require that all ADA Complementary Paratransit/Dial-a-Ride/Dial-a-Lift users be certified on the basis of disability as unable to use public transportation. We are asking physicians to assist us in determining patient eligibility. The Humboldt Transit Authority will make the final determination of eligibility.

The word "Unable" as it relates to using the transit system means that performing the function is absolutely impossible or causes severe or continuing pain, (not discomfort, occasional pain, or difficulty.) Examples of those who would qualify to use the program are those who are:

- Unable to perform daily tasks without a wheelchair or walker;
- Unable to get on or off a bus;
- Unable to walk from home/destination to the nearest bus stop;
- Unable to wait standing for more than 10 minutes;
- Unable to move in crowds (difficulty in keeping balance in a bus is not considered a transportation disadvantage since federal regulations require seats for the disabled near the entrance of all buses);
- Unable to read information, signs, or schedules (this does not include foreign language problems or illiteracy among otherwise able-bodied individuals);
- Unable to grasp coins, tickets or handles;
- Unable to use a bus in the performance of a life sustaining activity.

Eligibility may be granted on a temporary or conditional basis.

Please complete the enclosed form so we can determine the eligibility of your patient.

Thank you for your assistance in the completion of this certification.

Please send the completed form by \_\_\_\_\_

#### **WELCOME**

ADA paratransit service is a door-to-door, *shared-ride* transportation for individuals who are unable to use public transportation, either all of the time or some of the time, because of a disabling condition. This guide is designed to help you understand the service and responsibilities while using it.

#### **GENERAL INFORMATION**

The Americans with Disabilities Act (ADA) of 1990 requires all public transportation agencies like HTA to provide specialized transportation that is comparable to the public transit bus service for individuals who are unable due to a disability to ride public transit.

ADA paratransit service provider is City Cab. Services are available on a prearranged basis for any trip purpose within the designated service areas. If you feel you may be eligible for ADA paratransit service you must apply through Humboldt Transit Authority Accessible Services Department, and be found eligible for the service according to ADA guidelines.

#### **ACCESSIBLE FORMATS**

This Rider's Information Guide is available in large print and available online at [www.hta.org](http://www.hta.org). For those who have limitations seeing, hearing, speaking, remembering, moving, specially-trained Communications Assistant (CA) can relay telephone conversations by dialing 711.

#### **RECERTIFICATION OF ELIGIBILITY**

HTA recertifies registered clients every 3 to 5 years. A person's ADA Paratransit Eligibility letter will indicate his/her paratransit eligibility expiration date.

#### **SERVICE FOR VISITORS**

Visitors to the Humboldt County area can access ADA paratransit services for up to 21 days in a year. A visitor is an individual with a disability who does not reside in Humboldt County area. Visitors who present documentation that they have been ADA-certified with a disability which prevents them from using the fixed route system, in the jurisdiction in which they reside, shall be provided ADA paratransit service. For more information on Visitor Status please contact the HTA office at 707-443-0826. At the time of making your trip request with the dispatcher let the reservationist know you are visiting from another area and by which paratransit system you have been certified, if applicable.

If you require paratransit service beyond the 21-day limit, you must become locally certified for ADA paratransit service.

### **SCHEDULING YOUR TRIP**

When you call in to schedule your ride, you will need to give the following information:

- ~Your first and last name
- ~The date of your requested trip
- ~Your preferred pick-up and return times
- ~Your origin and destination addresses and phone numbers at those locations (including building name and specific drop-off and pick-up information). If a medical appointment, include the name of the doctor and the suite number. Phone number and address will be provided to personnel, as needed.
- ~ If you'll be traveling with an attendant, companion, or service animal.
- ~If you or anyone accompanying you will be traveling using a wheelchair, scooter, or other equipment.
- ~Any other information the driver should know to help you travel.

After entering this information into the computer, the dispatcher will give you a time for pick-up. The computer will be used to assist the dispatcher in making the most efficient routes so that everyone gets to where they are going on time.

Since this is a shared-ride service, the driver may make other stops on the way to your drop-off point, so it is best to allow plenty of time to get to and from your destination. If you are unsure of how much time you should allot for your trip, please ask the reservation taker for suggestions when scheduling your pickup. You will need to use your "best guess" when scheduling your return time. The ADA guidelines specify that rides cannot be prioritized based on purpose of trip.

### **Subscription Service**

Subscription service is limited to passengers for trips that recur weekly to the same place at the same time. ADA paratransit subscription service on a space available basis, and may prioritize service as needed.

### **Passenger Assistance**

Paratransit drivers will escort passengers to and from the main door of their pick-up

location and help passengers get on and off the vehicle. Drivers will stow small personal belongings. Passengers who need other types of help, like managing several bags or packages, finding an office inside a large medical building, filling prescriptions, etc., are advised to bring along a personal attendant.

### **Personal Care Attendant (PCA)**

A personal care attendant assists the passenger with daily life functions, and may provide assistance during the ride or at the destination. If you need assistance to travel, riding with a personal care attendant is strongly encouraged. A personal care

attendant is not required to pay a fare and must be picked up and dropped off at the same location as the passenger. A passenger's need for a personal care attendant must be registered with HTA's ADA paratransit service eligibility department during the eligibility determination process. If you did not indicate a need for a personal care attendant when you first applied for ADA paratransit service and now need one, you must call HTA at 707-443-0826 to request that a personal care attendant form be mailed to you. You must reserve space for your personal care attendant when scheduling a trip.

**Note: A family member or friend is regarded as a person accompanying the eligible rider, and not as a personal care attendant, unless the family member or friend registered is acting in the capacity of a personal care attendant.**

### **Companions**

A companion is someone who rides with an ADA-eligible passenger, but not as a personal care attendant. You may arrange to bring one companion along on each ride, in addition to a personal care attendant. Companions must be picked up and dropped off at the same addresses. Additional companions may be scheduled, if space is available. Companions pay the same fare as the ADA-eligible passenger. You must reserve space for your companion (including children) when scheduling a trip.

## **TAKING A TRIP**

### **Vehicles and Operators**

ADA paratransit service is provided using a variety of vehicles, including taxis. City Cab's as the paratransit provider reserves the right to determine whether ADA paratransit services will be delivered using its own operators and vehicles, or using operators and vehicles of other entities (for example, taxis). You must ride in the vehicle that is sent for you. Special requests for specific vehicles and vehicle operators cannot be honored. If your pick-up and/or drop-off location is not accessible, your ADA paratransit service will need to be provided curb-to-curb.

## **Boarding Time**

When you call to reserve your ride, you will be given a 30-minute "pickup window" in which the vehicle will arrive. You will need to be ready at the beginning of your "pick-up window." For example, if your negotiated *"ready time"* is 8:00 a.m., your 30-minute "pick-up window" is 8:00 a.m. to 8:30 a.m. You will need to be ready to board at 8:00 a.m. By being ready when the vehicle arrives, you help keep everyone's trips on schedule.

## **How Long Will the Paratransit Vehicle Wait?**

When the vehicle arrives within the "pick-up window," the vehicle operator will wait no more than five (5) minutes. If the vehicle arrives before your "pick-up window" starts, you may leave if you are ready. If you are not ready, the vehicle operator will wait until your "pick-up window" starts and only wait five (5) minutes.

## **What if My Ride is Late?**

If your ride has not arrived within **30 minutes** after your *"ready time,"* call 707-442-4555 and a dispatcher will update you on the status of your ride.

## **Canceling a Trip**

The **Cancel Line is open 24 hours. The minimum cancellation notice required for trips that are not needed is two (2) hours in advance of the scheduled pick-up time.** If your travel plans change or you will not be ready to board at your *"ready time,"* please call 707-442-4555. Shorter notice without a compelling reason could result in service interruption.

## **Preventing No- Shows**

It is City Cab's goal to always connect with passengers and provide their scheduled ride. When riders do not cancel at least two (2) hours in advance or are not available to board within five (5) minutes, it is considered a "no-show."

## **Riders can prevent no-show situations when they:**

- Review dates, times and addresses with the reservationist to be sure information is correct
- Call City Cab's service provider to cancel rides as soon as the ride is no longer needed
- Cancel at least two (2) hours in advance of the scheduled pick-up time
- Are prepared to board at the starting time of the "pick-up window" and within five (5) minutes after the vehicle arrives

When there are circumstances outside the rider's control, it is not considered a no show.

## **ADA Paratransit Service Trip Fares**

### **Ticket Books of 6 (six) - \$18.00/book**

With the exception above, each one-way trip is **\$3.00**. No fare is required for one personal care attendant. All other accompanying guests must pay the applicable fare. Vehicle operators (including taxi drivers) must collect fares upon boarding, so please have tickets ready prior to boarding. The operator cannot give change or sell ticket books. To purchase tickets, send a self addressed, stamped envelope along with a check or money order to Humboldt Transit Authority, 133 V Street, Eureka, CA 95501. ***Note: Trip or ticket fares are subject to change. No Refunds.***

### **Boarding with a Mobility Device**

ADA paratransit service vehicles are lift-equipped and will accommodate mobility devices primarily designed to assist persons with mobility disabilities, such as powered or manual wheelchairs with three (3) or more wheels and that are usable indoors and canes, crutches and walkers, provided the mobility devices can be secured and do not block the aisle or obstruct passage of other persons, and provided that they safely fit within the lift design load and platform measurements.

Those who have folding wheelchairs and can transfer to a cab must use the regular cabs or mini-van instead of the Dial-a-Lift wheelchair van. You **MUST** schedule your ride 24 hours in advance, and be ready to go when the vehicle arrives. Drivers will only be able to make one stop and each time you get into the cab it will count as a separate trip and require new tickets.

All vehicle operators are trained to operate the lift and will secure you after boarding.

- Boarding while standing on the lift is allowed, but not encouraged
- Boarding while sitting on a mobility device other than a wheelchair, such as a walker with a seat, is not allowed.

### **Transporting Life-Support Equipment**

You may bring a respirator, portable oxygen and/or other life-support equipment as long as it does not violate laws or rules related to transportation of hazardous materials.

**Carry on Bags**

Due to space limitation, customers may only carry three (3) small bags on the vehicle that they are able to manage independently without the assistance of the vehicle operator. The three carry-on items must fit within a certain space either on your lap or in front of your area. If you bring more than three (3) small bags, it will be your choice whether to board with only three bags and find alternative transportation to carry the remaining packages, or to decline the trip. If you travel with a companion, the companion is allowed a total of three small bags. A personal care attendant is not allowed to carry additional packages.

**Transporting Service Animals**

You may travel with a service animal such as a guide dog or canine companion. The use of a service animal must be identified at the time of your eligibility assessment. Please tell the reservationist when you book trips that you will be traveling with a service animal. Small pets and other non-service animals may be carried on paratransit service vehicles only in properly secured containers or carriers. You are responsible for loading and securing the containers in paratransit vehicles. Operators are not permitted to assist in carrying the animal carrier/container.

**Lost and Found**

City Cab or HCAR Paratransit services are not responsible for lost or damaged items. If you leave an item on a vehicle, call City Cab at 707-442-4555 or HCAR at 707-443-7077. If the item is located, you will be contacted by phone to make arrangements for pick-up. All lost and found items will be disposed of after 30 days.

**Nursing Homes/Adult Daycare/Etc.**

Riders picked up at these facilities should meet the driver in front of the main lobby, unless otherwise discussed prior. Drivers are not permitted to go to rooms to pick up riders. If someone other than the rider is responsible for the fare, please notify the dispatcher prior so that the fare can be collected. Drivers cannot assist riders into or out of facilities, so please have an assistant ready to help, if necessary. Riders will be dropped off in front of the main lobby.

## **PASSENGER RESPONSIBILITIES**

**Passengers must observe the following rules and responsibilities:**

- Smoking is prohibited on the vehicles, and is prohibited within 40 feet from the vehicle

They can stow small personal belongings, push a manual wheelchair, provide directions or act as a sighted guide, but if you need other types of help, like checking you out of a care facility, filling prescriptions, managing several bags or packages, etc., please bring along a personal care attendant.

Excessive missed trips are **considered** *excessive* when an individual reserves **seven (7) or more trips within any month and no-shows and/or late cancels 40 percent or more of those scheduled trips**. This will be considered a *pattern or practice* of missed trips and a violation of our No-Show/Late Cancellation policy. When you "no show" for the first leg of a trip, **all later rides for the day will not automatically be canceled**. It is the rider's responsibility to cancel rides (service) they no longer need.

A **no-show** occurs when the vehicle operator arrives at the pick-up location within the 30-minute pick-up window, waits the required five (5) minutes and the customer does not board the vehicle. **If a rider "no-shows" the first leg of a trip, any subsequent leg or a return trip will not be canceled automatically and may result in an additional "no-show" assessment if not cancelled as required by this policy.**

A **late cancellation** occurs when a customer cancels a trip less than two (2) hours before the scheduled trip.

Customers incurring excessive missed trips may be suspended for a reasonable period. Repeated violations of No-Show Policy will result in longer suspension periods each time. However, suspensions will not be imposed for circumstances that are beyond your control.

Examples of situations not within your control are:

- A sudden personal emergency
- Sudden or worsening illness
- Inability to get through on the cancellation phone line
- Late arrival of the vehicle
- Disruptive behavior caused by a disability

**In addition, subscription service will be cancelled for any customer who is suspended under the No-Show policy.** Suspended subscription service customers must reapply to be considered for a new subscription. The subscription service application will not be considered until four (4) months after the end of the suspension period.

## NO-SHOW POLICY:

All No-Shows listed below occur within any 90-day period.

- **First No-Show:** Notification will be mailed stating the date and time of the passenger's first No-Show violation.
- **Second No-Show:** Notification will be mailed stating the dates and times of the first and second No-Show violations and warn of impending suspension should a third No-Show occur within the current 90-day time period.
- **Third No-Show:** Notification will be mailed stating the dates and times of all three No-Shows and will notify the passenger of the one week suspension. This letter will include information on the appeal process.

Humboldt Transit Authority will contact the passenger to determine the dates of the suspension period. The suspension is applicable to both standing and demand-response trips.

### **Service Suspension for Abusive or Disruptive Behavior**

Service will immediately be denied on a long-term basis or indefinitely to passengers who engage in violent, seriously disruptive, or illegal conduct directed at other riders or ADA service provider staff. Such conduct includes, but is not limited to: threats or fear of physical or verbal abuse; unlawful harassment, including unwelcome verbal, nonverbal, or physical behavior having sexual or racial connotations; unauthorized use of equipment on the vehicle; voluntarily and repeatedly violating vehicle-riding rules, including smoking in the vehicle, eating or drinking without medical indication, or defacing equipment.

### **Steps of the Suspension Process**

You will be provided an opportunity to explain the reason for each occurrence. Customers violating the No-Show policy will receive a notice of suspension identifying each trip that was no-showed or late cancelled and the reason(s) for the suspension. The notice will also advise the customer of the dates when the suspension begins and ends, as well as the date that the customer can start to use ADA paratransit service again. You will also receive written instructions for appealing your suspension, should you wish to appeal the decision to suspend you.
