

Eureka Transit Service publishes this schedule as a convenience to the public and tries to operate as close to the listed times as conditions permit. However, times shown are approximate and we cannot be responsible for errors, road failures, acts of Providence or failure to make connections. The physical location of all city bus stops are now listed on this schedule. Generally, the bus stops are no farther than four blocks apart. In order to better serve the riding public the city has designated over 150 bus stops. We ask that you be at a bus stop listed on the schedule. Please **do not** wait between bus stops in an attempt to hail or flag stop the buses.
